

NMFS ANNOUNCES ATLANTIC SHARK IDENTIFICATION WORKSHOPS TO BE HELD IN APRIL, MAY, AND JUNE OF 2011

An Atlantic shark dealer may not receive, purchase, trade, or barter for Atlantic sharks unless a valid Atlantic Shark Identification Workshop dealer certificate is on the premises of each business location listed under the shark dealer permit where sharks are first received (71 FR 58057; October 2, 2006). Trucks or other conveyances of a dealer's place of business which are extensions of a dealer's place of business must possess a copy of a valid dealer or proxy Atlantic Shark Identification Workshop certificate (73 FR 38153; July 3, 2008). Additionally, Atlantic shark dealers may not renew a Federal shark dealer permit unless a valid Atlantic Shark Identification Workshop certificate has been submitted with the permit renewal application (71 FR 58057; October 2, 2006). As such, **Atlantic shark dealers who have not already attended a workshop and received a valid NMFS certificate, or whose certificate is expiring prior to the next permit renewal, must attend one of the free workshops in order to receive shark products or renew their Atlantic shark dealer permit.** The Atlantic Shark Identification Workshops being held in April, May, and June of 2011 are listed below.

Who Must Attend

- All new applicants for Atlantic shark dealer permits;
- All federally-permitted Atlantic shark dealers or a proxy from each business location that receives sharks (unless they have already attended a workshop and possess a valid certificate);

Proxies: Currently permitted shark dealers may send someone else (*i.e.* a proxy) to a shark identification workshop instead of attending themselves. If a dealer opts to send a proxy, then a proxy from each place of business which first receives sharks under the dealer's permit must attend the workshop. A proxy must be:

- A person who is currently employed by a place of business authorized to receive sharks under the dealer's permit;
- A primary participant in the identification, weighing, and/or first receipt of fish as they are offloaded from a vessel; and,
- Involved in filling out dealer reports.

Purpose of Workshops

- To train Federal Atlantic shark dealer permit holders or their proxies to properly identify shark carcasses
- To reduce the number of unknown and improperly identified sharks reported in the dealer reporting form
- To increase the accuracy of species-specific dealer reported information
- To generate a better understanding of the regulatory requirements for Atlantic shark dealers
- To improve quota monitoring and data used for shark stock assessments

Schedule All workshops will begin at 12:00 (noon) and will conclude at approximately 4:00 p.m.
